A hookah is the central focus, positioned vertically. It features a glass base with a textured, dark surface. A clear glass stem rises from the base, leading to a black metal body with a decorative, twisted design. A black hose is attached to the side, curving to the left. At the top, a black metal bowl sits on a tray, with a silver-colored dome-shaped lid. Wisps of white smoke rise from the hookah, filling the background and creating a dramatic, atmospheric effect. The lighting is focused on the hookah, highlighting its metallic and glass textures against the dark, smoky background.
